

TOWARDS Making the Most of the Ongoing OPERATION **CHANGE OF STORY** (PART 1)

'Calling All Winners Who Are Desperate for A Change of Story'

What comes out of this prophetic season for us is a function of what each one of us chooses to make of it. This is because, 'God is not mocked: for whatsoever a man soweth, that shall he also reap, he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting' — *Gal. 6:7-8*

We also know that victory in any battle is for only those who are set and out for a fight, this time, a fight of faith, because the kingdom of God suffers violent and only the violent takes take it by faith — *Mat.11:12/1 Tim. 6:12*

We cannot take what belongs to us wishing, we can only take it fighting to overcome the oppositions — *Deut. 2:24/ 1 Cor. 16:9*

This is why, how well we engage matters the most in any kingdom task.

In the parable of the talent, as recorded in *Luk. 19:13-24*, by the time the Master returned with within the same season, one of the servants made **ten more talents** and was given authority **over tens cities**; another made **five more** and was given authority **over five cities**. One went ahead and buried his talent and I think seven others must have absconded, because there was no mention of them again.

This is why how **faithfully** and **fruitfully** we engage will determine the outcome of individuals in this prophetic season.

The following testimonies attest to this fact:
