

MARCH 2023

BIBLICAL COVENANT EMPOWERS FOR WEALTH

— Deut. 8:18

Back on August 26, 1987, while away on a mission trip to the USA, the Holy Ghost delivered another clear mandate to me saying, 'Get back home and make my people rich'. This command was so strong and compelling that I had to abandon all my scheduled meetings and rushed back to Nigeria.

Meanwhile, I began to question, why me? and what do I have to make anyone rich? Then the Holy Ghost opened me up to a verse of scripture that answered my question. "...as poor, yet making many rich; as having nothing and yet possessing all things." — 2 Cor. 6:10

Therefore, the subject of financial prosperity is not just a doctrine in this Commission, but a divine Mandate. No doubt, ever since this Mandate was delivered, thousands around the world, have been brought into realms of financial fortune, the dimension of which could only have been God and to God alone be all the glory!

Today, the world is facing the worst global economic challenges in history, but the good news is that, God has a plan in place to exempt His people. For example, Israel dwelt in Goshen in the land of Egypt in the days of famine, but according to scriptures they, "had possessions therein and grew and multiplied exceedingly." — Gen. 47:15-27.

They were divinely exempted from the economic holocaust of the day.

This goes to establish the fact that, covenant people are indeed peculiar and that as long as we are committed to the covenant of seed time and harvest, we shall be exempted from the economic heat of our time — 1 Pet. 2:9/ Deut. 8:18

God is all out to empower His people for supernatural wealth in these last days, so they can become channels for the release of His silver and gold, ordained for building the latter house — Hag. 2:3-9/ Mat. 24:14/ Zch. 1:17

This is why, our understanding of God's purpose for financial fortune in the kingdom, is vital to determining our level of access to this realm of supernatural prosperity in these last days — 1 Sam 13:14/ 1 Kgs 8:17/ 1 Chr. 29:3-12

In the light of the above, all through this month of March, we shall be examining gateways to financial fortune.
